

## **Certified nurseries in the South African Citrus Improvement Scheme (CIS)**

Michael Nell, Jacolene Meyer and Paul Fourie  
Citrus Research International (CRI)

Nurseries participating in the Citrus Improvement Scheme are audited twice annually (normally May/June and November/December) and star-grading given based on the nursery's final audit score. Five-star graded nurseries are audited once annually. For a more detailed description of the star-grading system, please read Cutting Edge 334. <https://www.citrusres.com/cuttingEdge334>

If there are any questions regarding the audit process or criteria, an email can be sent to the scheme's Nursery Advisor, Michael Nell, at [michael@cri.co.za](mailto:michael@cri.co.za).

The newest list of certified nurseries and their star-grading, based on the May/June 2024 audit, is appended to this Cutting Edge and can be downloaded at [https://www.citrusres.com/wp-content/uploads/2021/10/Nurseries-Jul-2024\\_2024-07-17.pdf](https://www.citrusres.com/wp-content/uploads/2021/10/Nurseries-Jul-2024_2024-07-17.pdf)

Changes from the previous nursery list include the following:

- Ezigro Seedlings (Jatinga) in White River (MP) is provisionally certified as a NEW nursery.
- Du Roi Halls Nursery in Nelspruit (MP) no longer produces citrus nursery trees and placed their focus on the production of avocado nursery trees.
- Tweeling Kwekery in Kirkwood (EC) is no longer certified.

## Gesertifiseerde kwekerye in die Suid-Afrikaanse Sitrusverbeteringskema (SVS)

Michael Nell, Jacolene Meyer en Paul Fourie  
Citrus Research International (CRI)

Kwekerye wat aan die Sitrusverbeteringskema deelneem, word twee maal per jaar geoudit (gewoonlik Mei/Junie en November/Desember) en 'n ster-gradering gegee op grond van die kwekery se finale ouditpunt. Vyfster-gegradeerde kwekerye word een maal per jaar geoudit. Vir 'n meer gedetailleerde beskrywing van die ster-graderingstelsel, lees asseblief Snykant 334. <https://www.citrusres.com/cuttingEdge334>

Indien daar enige vrae rakende die ouditproses of kriteria is, kan 'n e-pos gestuur word na die skema se Kwekery Adviseur, Michael Nell, by [michael@cri.co.za](mailto:michael@cri.co.za).

Die nuutste lys van gesertifiseerde kwekerye en hul ster-gradering, gebaseer op die Mei/Junie 2024 oudit, is by hierdie Snykant aangeheg en kan afgelaai word by [https://www.citrusres.com/wp-content/uploads/2021/10/Nurseries-Jul-2024\\_2024-07-17.pdf](https://www.citrusres.com/wp-content/uploads/2021/10/Nurseries-Jul-2024_2024-07-17.pdf)

Veranderinge vanaf die vorige kwekery-lys sluit die volgende in:

- Ezigro Seedlings (Jatinga) in Witrivier (MP) is voorwaardelik gesertifiseer as 'n NUWE kwekery.
- Du Roi Halls Kwekery in Nelspruit (MP) produseer nie meer sitruskwekerybome nie en het hul fokus op die produksie van avokado-kwekerybome geplaas.
- Tweeling Kwekery in Kirkwood (OK) is nie meer gesertifiseer nie.

## SOUTH AFRICAN CITRUS IMPROVEMENT SCHEME: CERTIFIED NURSERIES (July 2024)

**NB!!!** Please note that according to the Agricultural Pest Act (Act No. 36 of 1983), movement of propagation material (trees and budwood) of citrus and/or related plants is prohibited from Citrus Black Spot (CBS) and Citrus Greening infected districts to districts free from these diseases.

Nurseries should advise their clients to adhere to these control measures, as they are in place to prevent the spread of CBS and Citrus Greening. The maps and tables illustrating where citrus plants can be moved legally within South Africa were described in Cutting Edge 162 and 170, available on the CRI website: [www.cri.co.za](http://www.cri.co.za).
